STANFORD, KY., FRIDAY, NOVEMBER 8, 1907.

NO. 72.

KINGSVILLE.

The election "passed off quietly." Both parties seemed in fine humor. Perhaps it was the weather, but at any rate there was great equanimity displayed on all sides.

The death of Judge Warren has occasioned much regret here and sympathy for his family and fellow townsmen. Judge Warren was popular in the South End and his death is hard to realize, as when we saw him last he was so very jovial and vigorous looking.

Mr. and Mrs. Robin Rigney, daughter, Mrs. Craig Butt, and children returned from Somerset Tuesday. Mr. and Mrs. Virgil Bastin returned Tuesday from a visit to relatives in Pulaski. J. Ed Boland is here from Lexington. Messrs. Harry Stone and J. W. Boland, of Charleston, W. Va., and Lexington, were here buying ties for the Greenbrier Pole Co. Mr. Engleman, of the North End, is the new day man at the tower. John Singleton and wife, of Waynesburg, were here Monday to see their daughter, Mrs. E. D. Carey, who is ill. Miss Ethel Lee is visiting relatives at Somerset. Mrs. Amanda Lee, of Somerset, was the guest of relatives here. Miss Eva Francis is with her sister, Mrs. W. L. McCarty, at Stanford. Messrs. W. L. and J. M. McCarty, of Stanford, came over Tuesday to vote.

Dr. C. M. Thompson was in Cincinnati Thursday. Mrs. Tabitha Davidson is with McKinney relatives. Mrs. George Rigney has returned from a visit to her son, Edgar Rigney, who has been attending the Morse School of Telegraphy at Cincinnati. Ed Rigney and Will Leach are at home from Cincinnati, where they have been attending school. Little Ethel, the pretty daughter of Craig Butt, of Somerset, has returned home after a visit to her grandparents, Mr. and Mrs. Robin Rigney. Mrs. Lola McKelhan and little son have returned to Covington, Tenn., after a visit to her mother here. Mr. Parks, the inspector, was here this week. Harry Stout, of Charleston, and J. W. Boland, Lexington, were here this week buying ties, etc., for the Greenbrier Pole Co. Your correspondent went to Danville Saturday and returned this week from a pleasant visit to the families of W. A. and J. O. Vandiver, of Harrodsburg, and Mrs. B. P. Shewmaker, of Moreland, relatives of Mr. Haldon B. Vandiver, who was killed by Harve Watts in September.

To find in the State of Kentucky a man who has lived to be 62 years of age and who has never cast a vote at any election, either national, State or county, is to discover a refutation of the adage, "There is nothing new under the sun." Such a man lives, in the person of Josiah Morris, whose home is in the Woodburn section of Warren county. He was among the County Court day crowd at Franklin, Monday, and is a substantial and respected citizen. Not in the matter of exercising his right of suffrage alone is Mr. Morris unusual, for he was never identified with the courts of the State in any capacity except on one occasion when he gave testimony as a witness in a trial suit. He is not a member of any church of fraternal organization. Mr. Morris is a refined gentleman, a reader or newspapers, and consequently well informed.—Warren County Courier.

Biliousness And Constipation.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been to-day had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally."—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by all druggists.

Under a tall sycamore in an old-fashioned New England graveyard lie the bones of a once distinguished lawyer. His grave is marked only with a plain headstone containing his name and this epitaph:

"Here lies a lawyer and an honest man." An Irishman invaded the burying-place one day and, after reading the epitaph a second time, remarked: "There must be two men in that grave."

A Good Liniment.

When you need a good, reliable liniment try Chamberlain's Pain Balm. It has no superior for sprains and swellings. A piece of flannel slightly dampened with Pain Balm is superior to a plaster for lame back or pains in the side or chest. It also relieves rheumatic pains and makes sleep and rest possible. For sale by all Druggists.

The Old Whitley House in the East End.

About 2½ miles from the little village of Crab Orchard stands the oldest brick house in Kentucky. It was built by Col. Wm. Whitley in 1783. Col. Whitley was one of the first settlers of Kentucky. He was a comrade of Boone, Kenton, Henderson and Clark. After leaving the forts of Boonesboro and Logan he came to the present site of Crab Orchard and erected the first brick house in the State. Mr. Whitley went to Virginia to secure the material with which to furnish his house. The house is very quaintly built and ornamented with many carvings. It is a 2½ story house situated on an eminence called "Sportsman Hill" by Col. Whitley. On each end of the house glazed brick are arranged so as to form diamonds, which adds much to its appearance. The windows are built seven feet from the ground as a protection from the Indians. The doors are made of two layers of plank put on a frame diagonally and driven full of nails. As no locks were obtainable in those days, bars were used to fasten the doors. We first enter the large and spacious hallway, which contains the noted stairway of 13 steps to the first landing, upon which is carved on the end of each an eagle head representing the 13 States and the bird of our country. And on the left of this hall we enter the parlor room, which is beautifully carved. Among the other carvings there are 13 large S's directly over the mantel piece which also represent the 13 States. Upon the right of the hall is the family, or living room, which contains large presses in the wall that extend from the floor to the ceiling, all of which are carved in small squares and a small press near the fire place that was reserved for the exclusive use of Col. Whitley's guns, horns, belt, powder and lead, which until this day is called the "gun press." The third story of this famous old house was used for a delightful ball room. Beneath the house is an immense cellar which was used as a hiding place from the Indians. In the third story of the house there are loose brick which are easily removed to be used as port holes in case of an attack from the Indians. Col. and Mrs. Whitley's initials appear over the front door and are formed of glazed brick, but in later years a veranda has been constructed over the initials and they are invisible. In years past there was a beautiful avenue that extended from the house to the road. The avenue was three quarters of a mile in length and a half mile in breadth.—Katherine McAllister Middleton, great grand daughter of Col. Whitley.

When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach, nor stimulate the heart or kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's restorative. The restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Penny's Drug Store.

The case pending against Mayor C. E. Woods, of Richmond, for inspecting a "sult case" in the early days of local option, was taken up by the grand jury and after investigation was dismissed. In addition the grand jury passed a resolution and ordered it entered on record, indorsing all the Mayor had done in his efforts to catch and punish the evaders of local option.

A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proven to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough.—Rev. Jas. A. Lewis, pastor Milaca, Minn., M. E. church. Chamberlain's Cough Remedy is sold by all Druggists.

"Let me kiss those tears away?" he begged tenderly. She fell for it, and he was busy for the next 15 minutes. And yet the tears flowed on. "Can nothing stop them?" he asked, breathlessly.

"Nope," she murmured. "It's hay fever, you know. But go on with the treatment!"—Cleveland Leader.

A Reliable Remedy For Croup.

Mrs. S. Rosenthal, of Turner, Michigan, says: "We have used Chamberlain's Cough Medicine for ourselves and children for several years and like it very much. I think it is the only remedy for croup and can highly recommend it." For sale by all Druggists.

Hines and a score of other Democrats at State headquarters say concerning the falling off in the Democratic vote reported from nearly every county in the State. "The Republicans did not show any increase over the vote for Roosevelt or Yerkes," they declared with great earnestness. "The Democrats simply stayed at home."

THE election has come and gone just as has been the case for years and years, but the result is what hurts just now. Willson and his entire lot of republican running mates have been elected by a majority of 10,000 or 15,000 and the great State of Kentucky now stands in the republican column, to her shame be it said. What caused the change of affairs we can not say and will leave to wiser heads to explain. That is neither here nor there. The republicans have won and are on top and we must make the best of it. Most of us lived through Bradley's regime and Taylor's reign of terror and are prepared for the worst. May the good Lord help us to stand with fortitude what is in store for us for the next four years. Mr. Willson, or "Gov." Willson, as we should say, is a smart fellow, but we are informed that he is a republican of the "bloody shirt" variety and a partisan in all the word implies. The democrats have made it possible to have such a governor and on them the blame does and should fall. We can but believe that Tuesday's election was bad for Kentucky but what has been done has been done and we must make the best of the situation.

ALTHOUGH the Legislative candidates on the democratic ticket were defeated in many counties and districts the next Legislature, which meets Jan. 1, will be democratic on joint ballot about 20. This insures the election of Gov. Beckham to the U. S. Senate, for which let us all join in giving thanks.

THE Courier-Journal says that the Legislature will be democratic on joint ballot but that Gov. Beckham hasn't "a ghost of a show" to be elected Senator. The wish is father to the thought. The Courier-Journal is only bolting Gov. Beckham like it did Bryan and others.

THE Eighth District went for Hager 1,421, which wasn't big things but fully as good as the rest of the Congressional districts in the State. The First—gave less than 5,000 majority. The Seventh district gave 5,640.

In his effort to seek notoriety, Rev. W. D. Nowling, pastor of the Third Baptist church in Owensboro, denounced in strong terms skating rinks. The old gentleman must be too old to learn to skate.

SHANKS as Representative and Beckham as U. S. Senator are the only crumbs of comfort we got or will get. A half loaf is better than no bread. We return thanks for what was handed us.

JUDGE HAGER made a gallant fight and would have made a great governor but the people would not give him a show. They'll regret it before many moons wax and wane.

LOUISVILLE voters said by a majority of 4,683 that they do not want an "open" Sunday. James F. Grinstead defeated Owen Tyler, democrat, for mayor by those figures.

DEMOCRATS may eat turkey on Thanksgiving day but the thanks they will give for the lemon they got Tuesday will be few and far between.

THE mugwump Courier-Journal is keeping up its fight on Gov. Beckham, hoping to defeat him for U. S. Senator. To hades with such a paper.

POLITICAL.

Shelby county did poorly—only 498 democratic.

And there stood Lincoln county in the democratic column.

John J. Craig, Republican, was elected Mayor of Covington.

Judge John M. Lassing was re-elected appellate judge by a good majority.

Hugh Mahin, democrat, was elected Representative by 17 votes in Jessamine.

John Skain was elected mayor of Lexington by 632. He defeated Col. W. K. Milward.

The new Democratic Governor of Mississippi is a "dyed-in-the-wool" prohibitionist.

Anderson county went 204 for Hager and 85 for Dowling, democrat, for Representative.

Garrard county republican elected Winn Representative over George T. Farrisby 324.

Col. Leopold Markbreit, Republican, was elected Mayor of Cincinnati by a large majority.

Bully for Boyle. She gave Hager a majority of 216 and elected Col. E. W. Lillard Representative by 114.

The republicans won a sweeping victory in Massachusetts, electing Gov. Gull and all their State ticket.

John O. Sheatz, Republican, of Philadelphia, was elected State Treasurer of Pennsylvania by a large majority.

Louisville will have one democrat in the next Legislature—Chris Mueller, who got in by the skin of his teeth.

Bless old Casey county. She only gave the republicans 60 majority. It will be a democratic county bye and bye.

Rhode Island has re-elected Governor James H. Higgins, Democratic candidate for Governor, his plurality reaching 2,309.

Mayor Tom L. Johnsen was again elected mayor of Cleveland, O. He beat Theodore Burton, republican, over 8,000.

Madison county gave Republicans 45 majority, except John B. Chenault, for Clerk of the Court of Appeals, who carries the county by 200 majority.

Harry A. Schoberth, democrat, was elected Representative of Woodford county by 133. Geo. B. Saufley made a number of speeches in Woodford.

The election in Virginia was only for candidates to both branches of the Legislature. The Democrats will control both houses by the usual majority.

Secretary of War Taft will abandon his European tour and return directly to the Pacific coast. He will leave Manila Nov. 9 for Yokohama and thence home.

O. L. Moore proved his patriotism by traveling nearly 2,000 miles at a cost of about \$30 to register and vote the democratic ticket in Louisville.—Somerset Journal.

In New York City the Tammany candidates were victorious over the Independence League nominees by large majorities and Max Ihmsen was defeated for Sheriff.

For the first time in her history Marion county elected a republican Representative. T. C. Jackson was elected over J. Barr by 139. Hager carried Marion by a small majority.

"The Legislature is safely democratic and I have no doubt of my election as Senator. I am greatly disappointed at the defeat of the State ticket."—Gov. J. C. W. Beckham to a reporter for the Louisville Post.

The next governor of Kentucky will be inaugurated on the first Monday in December, which will be Dec. 2. The lieutenant governor will take the oath of office at the same time. The remaining officers of the State will enter upon their duties in accordance with the State law, on the first Monday in January, which will be Jan. 6.

CRAB ORCHARD.

Mrs. Bessie Browning, of Livingston, is with her mother, Mrs. Kate Magee. The prayer meeting, which started some months ago, is gaining in interest and we hope much good will result.

The epidemic of measles has about run its course and once more the streets, which for a time were void of the happy shouts and laughter of the youngsters, abound with boisterous glee.

The Masonic building is near completion and is one of the finest and handsomest buildings of its size in the State. J. R. Edmiston is making fine progress with his new store-room he is putting up. It is expected that before long Sam Tatem will commence the erection of a modern store-room on the corner where his building was burned. The prospects of Crab Orchard are brighter than ever before and we invite the attention of all home-seekers who desire a haven of rest.

The election has passed, the day of events has gone to the short end of eternity and that feeling of dread, which has a hold, more or less, upon all hearts just before and during the election, is now relieved by a quieter feeling. The day passed in Crab Orchard with but very little discord, the fight being waged hard and unceasingly, but in the best of spirits (not intoxicants) and good will amongst all. There was very little drunkenness considering, the number of coal oil cans, jugs and other modern modes of carrying booze that had been making the circuit to Walker's booze shop. There seems to be a bonanza in the whisky realm close to the quart house and the infantry of the coal oil can brigade, march with unsteady step to and from the rendezvous. There is considerable annoyance given to the public in general, owing to the way whisky is being sold to men who are only partners in the buying. A club is made up of a number of men and one of the number goes and buys five gallons of whisky. He takes the whisky and goes back of the quart house and places his barrel or demijohn in a conspicuous place, takes out his allotted portion and leaves the rest for his fellow partners, who go and get their "divy." Then the coal oil cans, jugs and buckets are sampled several times before they reach the center of town. By that time they are so drunk that were it not for fences and sides of buildings the gutter would be their bed. The people of Crab Orchard have an ordinance similar to the one the Stanford people want passed, and it is hoped that the board of councilmen who have boys verging onto the whisky age will act on this ordinance as men of honor, men of courage and men who will do all in their power to wipe out the nuisance and evil that surrounds us.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Penny's Drug Store.

The Republican candidates in Lexington and Fayette county have decided to contest the election of the Democratic ticket. The seats of Blair and Combs in the General Assembly will also be contested.

Frank S. Katzenbach, Jr., democrat, has conceded the election of John F. Fort, the republican nominee for governor of New Jersey.

Go to D. V. Kennedy & Co., for meal, shipstuf and flour. They make prices any hour. Their custom is great, their mill is small; they are anxious to grind for one and all. The corn is ripe, the wheat is plenty; the price of shipstuf is one and twenty.

MR. J. SHELBY TAYLOR, of the Shelby City action, was thrown from his rig in a runaway Monday and rendered unconscious for some time. He was picked up and taken home and it was not until the following day that his mind was entirely clear. He was painfully but not dangerously hurt, we are glad to state.

JUNCTION City people should by all means attend the amateur entertainment to be given there to-night, Friday Nov. 8, by Miss Jones and a number of Junction City people. They will present "Mrs. Wiggs, of the Cabbage Patch," a charming play. The proceeds will go to the Christian church of that place.

AN effort was made to defeat the "new" town ticket by writing the names of a number of prominent citizens on the ballot but it was of no avail. The council elected is composed of the following gentlemen: J. R. Beazley, W. B. McKinney, Geo. B. Sautley, Mark Hardin, J. C. McClary and Edgar Wilkinson and they ought to do big things for Stanford.

REYNOLDS.—The remains of Mrs. Martha Hilton Reynolds, who died at Middleboro Monday, were brought to this place Tuesday afternoon and taken to Goshen and interred. Mrs. Reynolds lived near Rowland for many years and the friends she made there and elsewhere sorrow at her death. She is survived by a number of children including Mrs. Malcolm House, of Lancaster.

THE fourth number in the lecture course for this season was a marked success, as was evident by the encores demanded by the audience for each of the 12 numbers on the program of the Harmony Concert Company. These ladies render an evening's entertainment in which the voice, violin, flute, viola and piano are used to advantage in solos, duets and quartettes, presenting such a variety of numbers that each is awaited with a new interest; and the personnel of the company represents a standard of efficiency that permits an entertainment of merit.—Tyrone, Pa., Dispatch. Hear this excellent company at Walton's Opera House, this Friday evening, Nov. 8.

FOR SALE.—A new traction engine, one separator, self feeder and wind stacker. One saw mill with 300,000 feet of logs to saw at 50c per 100. The owner's only reason for selling is on account of ill health. All this machinery is comparatively new and cost about \$4,000. It can be bought for a very low price. See or address L. R. Hughes, Stanford, Ky.

THERE are several applicants for the office of county judge to succeed Judge R. C. Warren, deceased, including Judge James P. Bailey, Hon. J. S. Owsley, Jr., and Mr. Joshua D. Swope. All are good men and either would fill the office with credit. We trust Gov. Beckham will not postpone the appointment of Judge Warren's successor any longer than is practical.

It looks as if the fiscal court will have to order a new court-house built if we get one. The tax-payers have had three opportunities to say by their votes that they want a new temple of justice but they have answered "no" each time. What's the use of further delay? The county is in as good shape to build now as it will be later. Let the fiscal court act and act at once.

THE election of Mr. W. H. Shanks to the Legislature makes us feel good all over. His majority is 142, which while not half as large as it ought to be, will suffice. The democracy of Lincoln county honored itself by voting for such a clean, high-toned gentleman as Mr. Shanks is. Hager only carried the county by nine, but it should have been 900. The court-house proposition was defeated for the "steenth" time.

TO WHOM IT MAY CONCERN.—The barn and contents of my mother, Mrs. Isaac Hamilton, which were destroyed by fire last Friday, Nov. 1, and which were insured with Mr. R. B. Mahony, were all paid for in full Nov. 5, five days after the fire. The company paying the loss was the Glens-Falls of New York, and I take this opportunity of thanking Mr. Mahony and the adjuster, Mr. Kiker, for the prompt and satisfactory settlement. W. D. Gooch, administrator. Nov. 5, 1907.

The finest Coffee Substitute ever made has recently been produced by Dr. Shoop, of Racine, Wis. You don't have to boil it 20 or 30 minutes. "Made in a minute" says the doctor. "Health Coffee" is really the closest coffee imitation ever yet produced. Not a grain of real coffee in it either. Health coffee imitation is made from purest cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. Penny's Drug Store.

THEATRE TALK NO. 1

Plays whose prominent features are love, heart interest, heroism, comedy, pathos, vice and virtue, always find popular favor.

They are sought after by theatre-goers who appreciate real merit.

That is why "A Dangerous Friend," an original melodrama, booked to appear in this town has met with such success. It contains five acts and the scenes are laid in the United States. Various types of life, good and bad, are introduced, while the scenic display is said to be adequate.

THROW UP YOUR HANDS, OR ILL SHOOT TO KILL!

It is not the usual murderous melodrama and clap-trap comedy that we usually see in plays of this class, but a beautiful story well told by a thoroughly competent company, and shown in a setting that is seldom excelled. It needs no apology, for it is equal in construction of many a melodrama that has enjoyed a long lease of life. The story is a trite one of rascality and innocence. This piece has won merited praise wherever presented and is something quite unique in the melodramatic line, which will be sure to please the theatre-goers of this city. THE MANAGER SAYS HE WILL GIVE YOU YOUR MONEY'S WORTH, OR YOUR MONEY BACK. USUAL PRICES WILL PREVAIL.

The apple crop of the United States for 1907, as estimated by the American Agriculturalist in its report to appear on November 9, is a scant 24,000,000 barrels, materially short of last year.

The Green River Equity Warehouse Tobacco Company closed a deal at Owensboro by which the American Tobacco Company buys about 8,000,000 pounds of tobacco which had been pooled as the 1907 crop.

Fire of unknown origin swept the Bourbon Stockyards near Louisville, which covered a territory of 11 acres in the eastern part of the city, and entailed a total loss on the yards and adjacent property estimated at \$200,000.

Bath county farmers are experiencing hard times this year, since not one pound has been sold of the 4,000,000 pounds of tobacco raised and money is very scarce. No tobacco will be raised in that county in 1908 owing to action of Burley Society.

A good crowd attended the horse sale of F. Reid at his farm on the Hustonville pike Wednesday. Bidding was rapid and reasonably good prices ranged the entire day. Business horses brought \$175 to \$300. A trotting-bred brood mare brought \$150. Two young stallions by Dorsey Goldust were taken down at \$515 and \$490. His black team sold for \$525. Neither Dorsey Goldust nor Lincoln Chief was offered. Some 40 or 50 horses sold. A fine dinner was served on the grounds.

Lingering Cold.
Withstood Other Treatment But Quickly Cured By Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very harsh and dry. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by all druggists.

Mrs. Mary Morris died at Arthur, Edmonson county, a few days ago, aged 84, says the Horse Cave Gazette. She had lived on the same farm 55 years, and had not been off the place but three times. She lived within 10 miles of the railroad and never saw a train. Her farm is half a mile from Green River, yet she never saw the river but once.

Indigestion

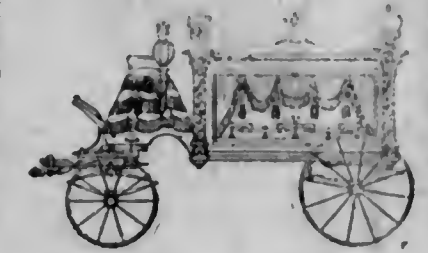

Stomach trouble is but a symptom of, and not in itself a true disease. We think of dyspepsia, heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alicia brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

How to Cure Your Piles

If sufferers from piles and rectal diseases would first try a reliable laxative like Dr. Caldwell's Syrup Pepsin instead of using external salves and suppositories, or having an operation performed, they would save themselves a world of trouble, expense and pain. The reason is that in nine cases out of ten piles are the result of habitual constipation, and when once the constipation is thoroughly cured the piles disappear.

Piles are to constipation what pimples are to bad blood, simply an outward symptom. And just as face lotions aren't half as good for pimples as a good blood medicine, so salves and suppositories aren't half as good for piles as a reliable laxative like Dr. Caldwell's Syrup Pepsin. A 50-cent or \$1 bottle will prove these claims, and every druggist is authorized to guarantee results. Hundreds of people have written us that Dr. Caldwell's Syrup Pepsin is the best pile cure they know of, and it is surely worth a trial from you. Not only will it cure the piles but it will permanently correct bowel trouble so that you will have regular movements. It will tone the stomach and make digestion easy for you. Dr. Caldwell's Syrup Pepsin is the best remedy for constipation, dyspepsia, biliousness, flatulency, and all resultant troubles, such as piles, arising from disordered stomach, liver or bowels. Its gentle action and pleasant taste make it especially suited to children and all who are too weak to stand purgative waters, salts and gripping powders and tablets. A physic is not what pile sufferers need, but steady, easy bowel movements, and these can be obtained by the use of this wonderful remedy. It brings about a permanent home cure at a minimum of expense.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Get the most effective laxative for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEPSIN." This product bears purity guarantee No. 17, Washington, D. C. **PEPSIN SYRUP CO.** 119 Caldwell Bldg., Monticello, Ill.

Call and see this one. It will save you time, money and worry. No more laborious work about the kitchen. When you install an ELECTRIC RANGE cooking becomes an interesting pleasure.
